

**Here's a
big positive
for your
business...**

The Leadership and Management Advisory Service.

Opening up new ways to make your business grow.

You could receive up to £1,000 funding

The Leadership and Management Advisory Service provides tailored advice, support and funding for bespoke training to senior business leaders and company owners in the North West.

When matched by a 50% contribution from your business, you could receive up to £1,000 funding that could contribute towards your personal development and the long-term success of your enterprise.

Advice and support

We will also provide impartial advice and support to help you make the right decisions for your business.

Our funding will enable to you progress your leadership and management skills, leaving you to pass on your new-found expertise to your workforce.

Bespoke training

And our dedicated team can work with you to assess your business needs, identify your training requirements and implement a bespoke personal development plan.

You could be eligible for this funding if:

- You are a private sector company or social enterprise based in the North West, with between two and 249 full-time employees (excluding volunteers)
- You have been trading for more than 12 months and have the potential to increase your turnover and/or your number of employees by 20% (10% for social enterprises) for each of the next three years
- You have been trading for less than 12 months, but have the potential to achieve a turnover of £500,000 by the end of year three.
